

A PLAN (top)
outline at the skirt and at the top plate

B SECTION Y = 0 (front, through the stem and both hooks)
the Costar wire runs left-right through the two bores

C SECTION X = 0 (side, front of the keyboard to the left)
OEM-style sculpt: top plate tilted back, cylindrical dish

D UNDERSIDE (section at z = 3.00, looking up)
stem boss, four diagonal ribs, two Costar hook blocks
